BIOGRAPHY

Abigail Rebecca, known as The Visibility Goddess, is a **Human Design Visibility Mentor**, International Speaker and Thought Leader in Aquarian Age femme leadership. With a diverse background as a corporate leader, trained Personal Stylist, EFT Practitioner, and Kundalini Yoga junkie, Abigail brings a wealth of knowledge and experience to her work. Her journey is a testament to resilience, transformation and the power of authenticity.

Abigail's journey is one of triumph over adversity. She made the brave decision to leave a religious cult that disempowered women, at the age of 16, setting the stage for her remarkable transformation. Overcoming corporate burnout and a heart condition, Abigail's determination and courage have made her a sought after mentor in her industry and an engaging and inspirational motivational speaker.

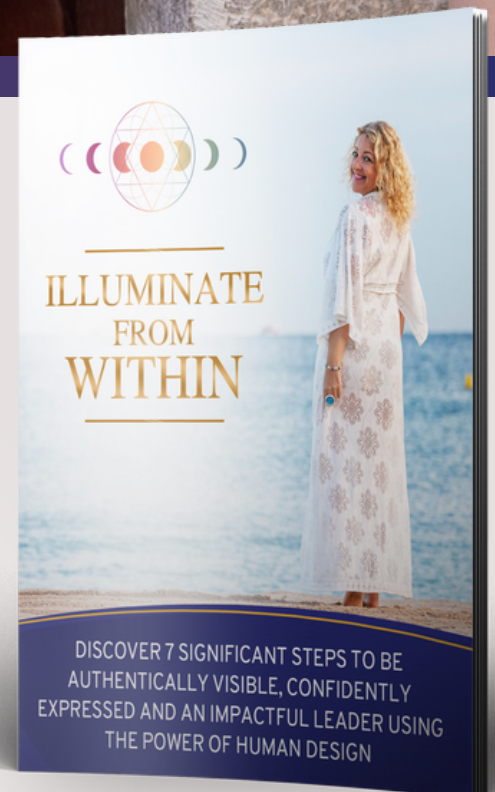

“Being authentically visible is an art form. It’s pure energy. My purpose is to empower you to bring that to life.”

EXPERTISE

With an impressive 28 years of experience in coaching and mentoring women leaders within Fortune 500 companies and her successful coaching business, Abigail is an established authority in her field. She has harnessed her wealth of knowledge to develop the tried and trusted **Illuminate Method™**. This method empowers visionary leaders to amplify their visibility, credibility and impact and grow their conscious business empires without the hustle.

ENGAGING SPEAKER

As an international speaker, Abigail captivates audiences with her inspirational story of victory and resilience. Her unique blend of wisdom, authenticity and vulnerability leaves a lasting impact on every audience she addresses.
